Downright easy.

After talking with multiple friends about how crazy building a house was, we expected major delays and/or issues. There just wasn't. From the Sales Consultant to the Design Team to the Builder, everything was just easy. My wife and I were extremely happy with the service and quality provided by everyone involved. Thank you David Weekley!

Transparent Building Process and a Well-Built Home

Our experience was first class... The overall experience was extremely transparent, and we are happy with our decision to build with David Weekley after looking at over a dozen competitors in the surrounding area.

Wonderful Experience!

If there is anything that sets David Weekley apart from other builders it is their customer service. I felt like a member of the family from the first time I walked into the model, to when I received my keys and saw the wonderful housewarming presents that were left for me, up to the present when I see my salesman in the neighborhood. I felt like they really took the time to understand what I was looking for and then came through with my dream home. I would highly recommend David Weekley to anyone looking to buy and/or build a home.

Thrilled to be here!

We love our home and the neighborhood and while we did purchase a completed build, we could not be more pleased with the entire David Weekley Team! Tracy, in particular, was there to help us every step of the way and we couldn't be more grateful!

Hard to improve on Excellence

From the moment we were welcomed when walking into a David Weekley model we knew we made the right decision to choose them... The entire process is seamless between the Sales Consultant, Builder and Design Consultant... We felt like a good friend who is not rushed out the door and forgotten once paperwork is signed.
